WEDDINGS AT THE HOTEL HOFFMEISTER

WEDDINGS AT THE HOTEL HOFFMEISTER

I had a wedding of about 30 people in the premises of this hotel and it was the best decision I could have made. The staff here is very professional and empathetic. The food was amazing and the whole atmosphere was perfect. There is a large selection of wines and drinks, everyone got something for themselves at the wedding... I also know this hotel from the themed evenings, which are very interesting and pleasant if you want to try something new... in the hotel restaurant I had the opportunity to try classic food from the regular menu and it was great. The place is charming and quiet, so anyone who want to come for a glass or two of good Prosecco and tastes their excellent escargots, will not go wrong. The maximum rating possible at Google I can give here is only 5* and I would prefer to give 10*. **You don't see such nice, kind staff in the Czech Republic so much anymore...**
Thank you very much for everything.
(Lucie Pirichová, Google)

We would like to thank you for the wonderful wedding reception at your hotel on 8/26/23. We were very satisfied with the feast, the service, and the overall organization led by Mr. Škubal. I would like to praise Mr. Škubal for the entire organization, willingness, care, professionalism and interest in making everything happen according to our ideas. I would also like to thank the bar staff who stayed with us until the late hours and were even very helpful and kind. I would also like to thank the entire staff, including the reception, who also took care of our stay. **Everything was great, the rooms are beautiful, clean and we rate the overall impression of the hotel 5*.** We also really liked the hotel interior. Once again, thank you very much and we look forward to visiting you.
(Rene Kubiš, Google)

Awe and wonder. On August 31, 2024, we had a wonderful wedding here that no one will forget ❤️ The accommodation took place a day earlier on 30 August 2024. Everything went very smoothly and beautifully. There were not a few of us, but the staff acted very quickly and willingly with additional requests. Our wedding suite was prepared as we requested - a few extra requests that were not a problem at all to arrange. **We have to praise the director Ivana Michalová,** she is a person in the right place and knows what she is doing. Communication and meetings were very professional and pleasant. The staff is its calling card - helpful, smiling, fast and flexible. Want blue from the sky? The staff would be able to arrange that too. They satisfied us in all the requirements that we asked for. For example, a live music band, there was no problem ordering it. And **the incredible atmosphere they managed to create for us made our day all the more beautiful** 😊 We always had fresh fruit at the apartment together with an excellent cheese plate to accompany the Prosecco. **The wedding decoration was excellent and exceeded our expectations. Food - in one word WAAAU and YUM.** We recommend going here for dinner. You have to experience this gastronomic art. WE HAVE NOTHING TO COMPLAIN AT ALL. The price offer we agreed upon the first meeting corresponded with reality. Thank you for a beautiful day in our lives and we wish the director Ivana and the staff to continue what they are doing. You are an amazing team.
(Lucie and Monika, from the bottoms of our hearts)
